The 2016 cohort includes all full-time, degree seeking undergraduate students who enrolled for the first time at NWC in Fall 2016 and who had not previously enrolled at any other postsecondary institution. Athletic participants include those who received financial aid for athletics in their first year of attendance. In accordance with federal regulations, the BA graduation rate includes all those who graduated from NWC within 6 years of matriculation, or 150 percent of the normal time for completion. Students who transferred, were dismissed, or dropped out are counted as non-graduates, even if they graduated elsewhere.

st If a category contains 6 or fewer students, the data is suppressed to respect the confidentiality of those students.
